

How We Are Doing Year To Date By the Numbers!!!

96% Live Outcome*

Jan-Sept 2017 - St. Francis took in 1083 cats & dogs with a live outcome # of 1036**. This 95.6% live outcome rate includes all our high risk seniors, special needs, and neonatal kittens (bottle babies).

Live outcomes 90% and over are officially defined as No Kill.

**Live Outcome Rates are the total number of live outcomes divided by the total number of intake

Thank you to all our fosters and supporters for saving so many lives.
